

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the primary reason for allowance is the inclusion of the limitation "wherein the said pivotal interconnecting element has one end which is pivoted directly onto a movable control member of the second dispenser device" in combination with the other claimed elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
